The Lands End is a fine rugged piece of coast which gains an additional attraction owing to its being the most westerly point of England, the Lizard being the southernmost. Off the coast are many isolated masses of rock, forming a considerable menace to navigation, and to indicate the danger, the Longships Lighthouse has been erected on Carn Bras. Its lantern is 123 feet above high water mark.

Dear Aunt Sarah,

Please accept our

greatest thanks for
your kind wishes

my heartfelt congrat-
ulations on the soon-

-ance to morrow of
one more of the
anniversaries of
your wedding day.
May you yet
have many happy
returns of your affectionate neph-

o

John Hamilton Tuck
